The collage consists of seven images arranged in a grid-like pattern:

- Top Left:** A floor plan diagram of a one-bedroom apartment. It shows a layout with a hallway (Холл 6.58), a room (Комната 13.45), a kitchen-dining area (Кухня-столовая 13.30), and a bathroom (C/y 5.50). Various furniture pieces like a sofa, bed, and dining table are indicated. A small logo for "move.ru" is in the bottom right corner.
- Top Right:** An exterior view of a modern residential building during the day. The building has multiple floors with large windows and a mix of light-colored stone and dark panels. A ground-floor entrance features a glass door and a small overhang. People are walking on the sidewalk in front.
- Middle Left:** A night view of the residential buildings, illuminated by streetlights and the building's own lights. The sky is dark with some clouds.
- Middle Right:** A close-up view of a modern outdoor seating area under a large, curved metal canopy. Two people are sitting at a table with a dog. In the background, more of the residential complex is visible.
- Bottom Left:** An aerial view of the entire residential complex during the day. It shows several interconnected buildings, green landscaping, and a playground area with children playing.
- Bottom Right:** A night view of the building's exterior. A person is seen looking out from a window. To the right, fireworks are exploding in a dark blue sky, and a small "move.ru" logo is in the bottom right corner.
